

Australian Transport Accreditation Group

NEWSLETTER (Vol.2 May 2008)

Thank you for allowing us to be of service to your Company in the past.

As of 29th September this year, there are some changes to Fatigue Management rules and requirements. The major changes are:-

- You are required to have documented policies and procedures which are to be audited.
- Driving hours (refer to attached information)
- Drivers log books will be replaced by a work diary
- Training / Assessing (refer to attached information)

We have attached some pages of information regarding driving hours and a sample driver's work diary.

If you need any help in implementing a fatigue management program or training/assessing to meet the new requirements, please do not hesitate to contact:-

Royston Whybird 0417 623 471 (shirston@bigpond.net.au)

Stuart Williams 0419 774 390 (ssplumb@squirrel.com.au)

Bruce Johnston 0429 452 192 (ascontrans@bigpond.com)

WA Heavy Vehicle Accreditation

Royston and Stuart are both qualified trainers and Stuart's application to be a registered training organisation (RTO), so he can provide this training and assessment, is well advanced.

Please contact us to discuss your future needs in Accreditation programs. We would be happy to assist you with any questions you may have.
